2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

The Palermo Union School District is located approximately six miles south of Oroville, the county seat of Butte County. The Palermo community is a rural, agricultural community encompassing an area of 75 square miles. The District consists of five schools: Helen Wilcox (K-3), Honcut (K-3), Golden Hills (4-5), Palermo (6-8), and the Palermo Community Day School (K-8). The Palermo School campus is located in the center of the Palermo community and has an enrollment of approximately 420 students. The total district enrollment is approximately 1,345 students.

Palermo School's goal is to insure that all students have the opportunity and support needed to meet or exceed the grade level standards, at a minimum, attaining proficiency or advanced proficiency in reading and mathematics. State standardized and local measures of academic growth, both formative and summative, are monitored weekly, each trimester, and at the end of the school year. We provide a standards-based education for all students via the implementation and support of a Professional Learning Communities model. The teaching staff and administrators continue to develop and implement curriculum, programs and strategies to assist students in achieving and/or exceeding grade level standards. Intervention strategies/opportunities are built into the school day for students who have not mastered grade level standards. Certificated teachers also provide after school tutoring at all grade levels.

The Mission of Palermo School is dedicated to providing a variety of diverse programs that engage students both academically and socially, and that will prepare students for their futures as contributing members of our community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The Palermo Union School District takes pride in ensuring that all schools are clean, safe, and functional. To assist in this effort, the district utilizes a facility inspection tool developed by the State of California OPSC to monitor the overall condition of the school grounds and facilities.

Classrooms and all learning environments utilized by students and staff are cleaned on a nightly basis. Restrooms are in good working order and are cleaned nightly; in addition they are also cleaned, as needed, throughout the school day. On site custodial and maintenance staff ensure that issue involving cleanliness and/or safety are addressed immediately.

The Palermo School playground covers over two acres which includes grass playing fields and a large black top area. Large trees provide ample shade. Play structures and concrete picnic tables and benches are maintained in safe and working order. The swing and bar area is filled with rubber chips in order to provide safe surface under those play structures. District maintenance staff ensure that any necessary repairs are completed in a timely manner. Maintenance projects for 2020/21 school year have included: Safety projects including installation of a school doorbell and locked entrance to control campus traffic, installation of hand sanitizers and PPE/hand washing stations to ensure student and staff health safety, routine maintenance and upkeep of all facilities.

As of December 2020, the Facility Inspection Tool gives the campus an overall rating of "in good repair" (96.54%) with no extreme deficiencies.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents and guardians are given the opportunity to work in a mutually supportive and respectful partnership with the school to help their child succeed. Parents and guardians can support their child's learning by: monitoring school attendance and homework completion, participating in extracurricular activities, volunteering at school, and planning and participating in activities at home that are supportive of classroom activities. Parents are able to participate in the decision making processes at the school via the LCAP development, School Site Council, Title VII Indian Education Parent Committee, and the English Learner Advisory Committee (ELAC). Families are apprised of school activities and opportunities through digital and hard copy newsletters, The Bulldog's Bark, which highlights learning opportunities/student accomplishments in pictures and videos. In addition, during a non-pandemic school year, there are several opportunities to meet with the administrators during Coffee and Conversations. Finally, families of struggling, at-risk or special needs students are given additional support through customized meetings and the school's Multi-Tiered Systems of Support to meet the needs of their students.

For information on how to get involved in any of these groups or activities, please contact the school office at (530) 533-4708.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

In compliance with Ed Code 35329.6, the District Comprehensive Safety Plan/Emergency Management Plan is reviewed, updated, and approved by the Governing Board annually by March 1. Each school maintains a copy of the Safety Plan on site and a copy of the site Emergency Conditions portion of the plan in each classroom. Key elements of the Safety Plan include: a plan of action for maintaining a safe and orderly environment conducive to learning at the school (i.e.:assessment of school safety, identification of strategies and programs that will maintain school safety and campus security) and emergency management procedures consistent with the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS) developed by the U.S. Department of Homeland Security.

Key elements of the site Emergency Conditions include: a plan of action for a coordinated school wide response to emergencies (i.e. intruder on campus, fire, emergency lockdown, evacuation, etc). Safety drills are held on a regular basis. Fire drills are held monthly. Earthquake/disaster and intruder drills are held twice a year. Visitors to the campus are required to sign in at the school office and wear a visitor's pass at all times.

Palermo School is a closed campus, complete with fencing and gates surrounding the campus as well as a gate in the office foyer that prevents anyone from walking through without first checking into the main office. With a security camera system in place, school personnel are better able to monitor and maintain site of campus visitors and prevent intruders. Additionally, during the COVID 19 Pandemic, Palermo School follows a strict campus safety and virus prevention protocol to ensure the health and safety of all students, faculty and staff.

Finally, Palermo School utilizes the app STOP IT for bully prevention and ongoing training for students and all staff address and target the establishment of a bully-free, emotionally and physically safe campus. We use Catapult EMS to help with emergency and crisis management. As a site, we have established priorities for additional safety improvements.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	17	9	1
Mathematics	21	5	9

2020-21 Types of Services Funded

Palermo School provides standards based, high quality instruction to all students in all subject areas. In addition, we also provide additional academic support and supplemental services through the use of intervention classes within the school day and after school tutoring. Achievement data and student progress is regularly monitored in order to ensure that students are assigned to appropriate classes and intervention services.

Title VII funding is used to provide Indian Education students with additional academic support from an instructional aide who provides in-class assistance. All English Language Learners who have not yet reached fluency are given targeted academic support during the school day, including specific instruction in ELD and the ongoing implementation of SDAI strategies in all academic courses.

Title I funding supports improvement of the teaching and learning of children who are at risk of not meeting academic standards and reside in areas with high concentration of children from low-income families. We have implemented a PBIS behavior system and counseling services are provided. We also have implemented a computerized intervention program in math and ELA, as well as 7 Mindsets that addresses social/emotional concerns.

Professional Development

The district schedules staff development on non-student days and/or non-contract days, or during after school hours. Staff development is delivered through after school workshops, conference attendance, individual mentoring, and PLC. Areas of focus for staff development are selected based on need, as shown in achievement data. Teachers are supported through teacher-principal meetings and professional learning communities. PUSD teachers engage in active staff development throughout the year by attending in-district training sessions provided by staff and consultants, as well as site-based sessions presented at staff meetings, committee/grade level meetings, and during formal observation post conferences. Staff development has focused on professional collaborative teams. District and site sessions, as well as follow-up classroom observations and feedback have been provided on the following topics: classroom management, student engagement, corrective feedback, and instructional strategies, PBIS, CPM, ACEs, ALICE, technology, Illuminate. ELD training continues to be provided by Holly Harding from the BCOE and teacher participation in the MCAP. PLC team meetings occur weekly to target high leverage instructional practices. Annually, grade level teams receive 4 days (PLC days) throughout the year to work on data, discuss teaching strategies, watch webinars and work on district initiatives.

This table displays the number of school days dedicated to staff development and continuous improvement.

Palermo Union Elementary School District 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
